## Telephone Survey of 1990 Public Use Microdata Files

Hello, I amfrom the U.S. Census Bureau. We are conducting a survey of users of Census Public Use Microdata Sample (PUMS) files and would appreciate your
help.
Your participation in this survey is voluntary, and your responses will be kept confidential.
May we take a few moments to ask you some questions about your needs and uses of Public Use Microdata files? (if "yes," proceed. If "no," attempt to get the name and telephone number of the person who can answer the questions.)
Are you the person responsible for using the PUMS data? If "yes" continue with the survey. If "no" attempt to get the name and telephone number of the person who can answer the questions and continue the survey at question 1.
○ Yes ○ No
Name
Title:
Department:
Telephone Number:
Telephone Tumber.
1. Have you used the 1990 Public Use Microdata files? (If the response is "no", thank the participant and terminate the survey)
○ Yes ○ No
2. If yes, which sample file did you use. Mark (x) all that apply
○ File A 5% ○ File B 1% ○ Administration on Aging 3% File

3. What is the most common geogr Read the list and mark (X) all that app	raphic level at which you tabulated PUMS dately).
<ul> <li>Individual Public Use Microdata A</li> <li>All counties</li> <li>Specific county(is)</li> <li>State parts of metropolitan areas</li> <li>Region/division</li> </ul>	Area
4. Did you make extracts of specific	c variables or population groups from PUM
O No. O Yes. Please give exampl	es of the types of extracts you created:
